Bring a bag lunch

You are required to have at least 36 different colors of pastels for this class—but more is definitely better. I will be providing all of the pastel papers/supports as well as having easels, boards, and other materials on hand if you need them. The other required materials are available at your local art stores or you can order online from Jerry’s Artarama, Dick Blick, etc. Feel free to email kaybratholhostvet@gmail.com if you have any questions or concerns. *Please bring a bag lunch; we only break for 30 minutes.* I look forward to a fun, colorful day with you!

**Supplies Needed for Class**

- Bag lunch
- **Set of pastels**—hard, medium or soft density (36 minimum—more is better. Having both hard and soft sticks is best). Do NOT bring oil pastels, Craypas, or cheap, dusty school-grade Alphacolor, SMI, Heritage, Artist’s Loft, or Loew Cornell brand pastels (recommended brands are listed below).
- **Workable Fixative spray** (Krylon or Blair) Make sure the can says “workable.”
- **Masking tape** (ordinary beige, not blue or green)
- **Small tray/basket** to serve as your palette (small cake pan, gallon bucket lid, pastel box lid, etc.)
- **Small sketch book** or several sheets of unlined paper for planning
- **Pencil** (ordinary #2 or HB is fine)
- **Rag in a zip-lock bag** (for finger clean up while working)
- **Photographic references** to work from. Bring an assortment of autumn landscape or garden photos and we will pick the best one for the day’s projects. **Do not bring copyrighted images from magazines, calendars, etc. Alternatively, you may select a photo from my collection. The best images have a variety of colors and values (darks to lights) and are not overly complicated or cluttered. Ordinary snapshots can become beautiful pastels with planning! Please print out your images, do not bring in digital devices to work from.

**Recommended/Optional** (please do bring if you already own):
Additional soft pastels, pastel pencils, X-Acto knife, kneaded rubber eraser, your own table or floor easel if it can hold a drawing board completely vertical (tripod easels will be available in the studio).
