Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Achillea millefolium	Saucy Seduction	Saucy Seduction Yarrow	18 - 24"	June - July	pink	sun	Flowers open intense fuchsia pink, lightening to medium pink. New flowers are produced all summer, providing an array of color over an extended period.
perennial	Achillea millefolium	Strawberry Seduction	Strawberry Seduction Yarrow	18 - 24"	June - July	red	sun	Large clusters of strawberry red flowers with a gold center form a domed canopy atop a robust, compact, upright clump of grey-green foliage. Mature flowers turn buff yellow.
perennial	Aconitum	Blue Lagoon	Blue Lagoon Monkshood	10 - 12"	june - sept	blue	sun-part shade	The perfect aconitum for containers, this short, bright blue selection with handsome dark green foliage stands just about a foot tall.
perennial	Aconitum fischeri		Azure Monkshood	18 - 24"	August - September	blue	sun-part shade	Produces upright spikes of lavender-blue flowers. This species has particularly strong stems that will not require staking. Deeply divided, dark green, glossy foliage.
perennial	Ajuga reptans	Black Scallop	Black Scallop Bugleweed	3" - 6"	april - may	blue	sun-part shade	Very dark and glossy scalloped foliage. Wonderful deep blue flowers in spring.
perennial	Allium schoenoprasum	Foescate	Foescate Chives	12 - 18"	april - may	pink	sun-part shade	Very showy, bright rosy pink flowers in spring. These chives will flower again if cut back mid-season.
perennial	Allium tanguticum	Summer Beauty	Summer Beauty Onion	12 - 18"	july - aug	purple	sun	Sunning dark purple flowers in mid-summer! Seeds are sterile so this allium will not spread.
perennial	Amsonia	Blue Ice	Blue Ice Blue Star	12 - 18"	july - august	blue	sun-part shade	Compact selection with steel blue star shaped flowers. Blooms long and strong. Forms dense compact mound with dark green leaves that turn brilliant yellow in the fall.
perennial	Amsonia hubrechtii		Narrow Leaf Blue Star	24 - 36"	april - may	blue	sun-part shade	Sky blue flowers, threadlike foliage which remains attractive throughout the season. Stunning golden color in fall.
perennial	Anemone hupehensis	Prinz Heinrich	Prinz Heinrich Anemone	24"	september - october	pink	sun-part shade	Lovely, semi-double, deep rose flowers in fall. Attractive, dark green foliage.
perennial	Anemone hupehensis	September Charm	September Charm Japanese Anemone	36"	sept - oct	pink	sun-part shade	Large, single rose-pink flowers in fall. Great accent plant in mixed borders!
perennial	Anemone tomentosa	Robustissima	Hardy Grape Leaf Anemone	32"	late summer	pink	sun-part shade	Pink flowers. Earlies of the fall blooming anamones.

May 6 - 7, 2011

Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Anemone x hybrida	Whirlwind	Whirlwind Anemone	24"-36"	aug - oct	white	sun-part shade	A staple item for the fall border. Beautiful, satiny, semi-double white flowers in fall on robust plants.
perennial	Aquilegia	Blue Jay	Songbird Blue Jay Columbine	12 - 18"	april - may	blue	sun-part shade	Large-spurred flowers on sturdy compact stems. Blue-green foliage. Dark blue flowers with white centers.
perennial	Aquilegia	Cardinal	Cardinal Columbine	12" - 18"	april - may	red	sun-part shade	Exquisite three inch wide, long-spurred, red and white bicolor blossoms. Compact habit. Award of Garden Merit by the Royal Horticultural Society in 2003.
perennial	Aquilegia	Dove	Songbird Dove Columbine	12" - 18"	april - may	white	sun-part shade	Large pure white skyward-facing flowers. Honored with the award of Garden Merit by the Royal Horticultural Society in 2003.
perennial	Aquilegia vulgaris	Winky Formula Mix	Winky Formula Mix Columbine	14"	spring	mixed	sun-part shade	Award winner! Long-flowering, lovely spring display of upright facing flowers. Compact mounded foliage with red, blue, purple or rose flowers.
perennial	Aruncus aethusifolius		Dwarf Goat's Beard	10 - 12"	june - july	white	part shade-shade	A miniature Goat's Beard with the same traits as A. dioicus at roughly 1/3 the size. This selection grows only 12 in. tall with fine, glossy, fern-like foliage.
perennial	Asarum europaeum		European Wild Ginger	3 - 6"	foliage	N/A	shade	Wonderful groundcover plant with glossy green, kidney-shaped leaves.
perennial	Aster dumosus	Wood's Pink	Wood's Pink Bushy Aster	12 - 16"	late summer	pink	sun	Clear pink, semi-double flowers. Prolific bloomer. Excellent resistance to mildew and rust.
perennial	Aster novae-angliae	Vibrant Dome	Vibrant Dome New England Aster	18 - 24"	September - October	pink	sun	Brilliant pink sport of 'Purple Dome'.
perennial	Astilbe	Burgundy Red	Burgundy Red Astilbe	18 - 20"	June - July	red	sun-part shade	Dark red flowers open to a rich burgundy red. As the flowers age, they turn a vibrant shade of fuchsia. Glossy, deep green, finely dissected foliage.
perennial	Astilbe	Peach Blossom	Peach Blossom Astilbe	24"	Jun-Jul	peach	sun-part shade	Delicate pink
perennial	Astilbe	Radius	Radius Astilbe	20 - 26"	June - July	red	sun-part shade	Forms large, robust clumps. Burgundy buds open to bright red.

Olbrich's Plant Sale with the Pros
May 6 - 7, 2011

Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Astilbe chinensis	Pumila	Dwarf Chinese Astilbe	10"	Aug-Sept	pink	sun-part shade	Lilac-pink flowers on fuzzy, stiff plumes. One of the last Astilbes to bloom. Mid-green leaves form a low carpet of foliage.
perennial	Astilbe x ardensii	Beauty of Ernst	Color Flash Astilbe	8-12"	summer	pink	part shade-shade	Awesome plant! A shade garden must. Tri-color foliage emerges green, matures to burgundy-purple and changes to vibrant gold, orange and russet in the fall. Delicate pink blooms.
perennial	Astilbe x ardensii	Beauty of Lisse	Color Flash Lime Astilbe	8 - 12"	summer	pink	part shade	Unique new Astilbe with glossy green leaves changing to gold shades throughout the season. Amazing fall color!
perennial	Athyrium filix-femina	Victoriae	Victoriae Lady Fern	18 - 24"	foliage	N/A	part shade-shade	New! This unique crested Lady Fern has criss-crossing leaflets along the entire length of each frond. The crested tips continue to lengthen all season, looking more like fringe with each passing week. Forms an upright arching clump.
perennial	Athyrium niponicum	Apple Court	Apple Court Crested Japanese Painted Fern	12"	foliage	N/A	part shade-shade	NEW! Similar in color to 'Pictum', but with distinctly crested leaflets along the entire length of each frond and at the tip. Forms a low mound that spreads slowly by rhizomes.
perennial	Baptisia australis		False Indigo	3 - 4'	april - may	blue	sun-part shade	Bush plant with blue-green pea-like foliage. Flowers are indigo blue in long terminal erect racemes. Also produces fruit in the form of a 2 - 3" pod which turns black when mature.
perennial	Baptisia x bicolor	Starlite Prairieblues	Starlite Prairieblues False Indigo	24-36"	may - june	blue	sun-part shade	Wide mounded plant with arching branches and racemes of periwinkle-blue and buttery-yellow florets.
perennial	Baptisia x variicolor	Midnight Prairieblues	Midnight Prairieblues False Indigo	36 - 48"	may - june	blue	sun-part shade	The newest of the False Lupine introductions of Jim Ault, 'Midnight Prairie Blues' has deep, deep blue lupine like flowers. Slow growing at first, all Baptisia eventually become almost shrublike in their dimensions, easily 3-4' tall and up to 5' wide.

Olbrich's Plant Sale with the Pros
May 6 - 7, 2011

Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Begonia grandis	var. evansiana	Hardy Begonia	18-24"	june - frost	pink	shade	With a little protection, this special plant will make though our WI winter. Masses of pink flowers all summer, upright branching.
perennial	Belamcanda chinensis	Freckle Face	Freckle Face Blackberry Lily	18 - 24"	August	orange	sun	A profusion of showy orange blossoms with heavy red speckling and shading are produced atop a clump of green, sword-shaped foliage. Tan, pear shaped seed pods burst open to reveal clusters of black seeds in fall.
perennial	Belamcanda chinensis		Blackberry Lily Belamcanda	24 - 36"	july - aug	orange	sun	A profusion of unique star-shaped flowers are produced on compact plants. They can vary in color from bright yellow-orange to near red, and are always heavily spotted with red. The foliage is sword-shaped like that of a tall bearded iris.
perennial	Bergenia	Lunar Glow	Lunar Glow Pig Squeak	10 - 12"	spring	pink	part shade-shade	Short spikes of dark-pink, bell-shaped flowers contrast to the creamy-yellow young foliage in spring. Shiny leathery evergreen leaves become reddish-purple in fall and burgundy red throughout winter. Thrives in warm humid climates.
perennial	Brunnera macrophylla	Jack Frost	Jack Frost Heartleaf Brunnera	12 - 15"	april - may	blue	part shade-shade	Frosty silver overlay with light green venations. Leaves shimmer in the garden creating a shining contrast against companion plants. Blue forget-me-not like flowers produced on wispy panicles in spring.
perennial	Brunnera macrophylla	King's Ransom	King's Ransom Heartleaf Brunnera	10 - 12"	april - may	blue	shade	Displays a wide, creamy yellow margin and light cream frosting over the remainder of the silver leaves. After the dainty blue forget-me-not type flowers are produced in spring, the margins lighten to creamy white.
perennial	Calamintha nepeta subsp. nepeta		Lesser Calamintha	18 - 24"	june - oct	lilac	sun	Forms a perfect mound of mint-scented leaves, smothered by small very pale lilac flowers. Related to garden mint without the spreading habit.

Olbrich's Plant Sale with the Pros
May 6 - 7, 2011

Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Campanula glomerata	Freya	Freya Clustered Bellflower	16"	May - July	purple	sun-part shade	An extremely floriferous selection, producing dense clusters of lilac purple, star-shaped flowers nearly all the way up the strong, long stems. Forms sturdy, compact, clumping rosettes of green leaves.
perennial	Centranthus ruber	Pretty Betsy	Pretty Betsy Red Valerian	2 - 3'	june - aug	red	sun-part shade	Red flowered selection, glossy foliage. Butterfly favorite.
perennial	Ceratostigma plumbaginoides		Plumbago	12"	summer	blue	sun-part shade	Intense blue flowers, glossy green foliage. The foliage is green during the summer, then turns a beautiful bronzy-red in fall. Great in mixed containers. Favorite butterfly plant.
perennial	Cimicifuga	Chocoholic	Chocoholic Black Snakeroot	2 - 3'	July - September	white	part shade-shade	Purplish black foliage with fragrant, bottlebrush flowers open mauve-pink then lighten to white.
perennial	Clematis integrifolia	Rosea	Rosea Clematis	2'	mid - late summer	pink	sun-part shade	Non-vining selection is best if allowed to scramble informally throughout plantings. Bell shaped flowers are bright, clear to pale mauve pink.
perennial	Coreopsis	Jethro Tull	Jethro Tull Tickseed	16 - 18"	june - july	yellow	sun	A natural cross of 'Early Sunrise' and 'Zamfir', this new selection exhibits the best characteristics of both: brilliant golden yellow flowers with fluted petals and a more compact habit.
perennial	Coreopsis rosea	Heaven's Gate	Heaven's Gate Pink Tickseed	12" - 18"	may - october	pink	sun	The green fern like leaves make a great contrast with the daisy shaped flowers. Heaven's Gate is a long blooming plant that has beautiful pink flowers. Great with any type of grass, borders and mass!
perennial	Coreopsis verticillata	Route 66	Route 66 Threadleaf Coreopsis	24 - 28"	July - October	yellow	sun	Large yellow flowers with a red eye. Well branched, upright plants. In fall, the red pigment bleeds out onto the petals becoming the dominant color.
perennial	Corydalis lutea		Yellow Corydalis	12"	spring, reblooming	yellow	part shade	Yellow Dicentra-like flowers on soft, lacy foliage. Reliable, easy plant for shade. Reseeds in the most perfect locations.

Olbrich's Plant Sale with the Pros
May 6 - 7, 2011

Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Cotoneaster dammeri	Nordic Carpet	Nordic Carpet Cotoneaster	3 - 6"	spring	white	sun-part shade	Prostrate groundcover with very lustrous green leaves on reddish stems. In fall, orange color is preceded by red berries. Deciduous to evergreen depending on winter severity. Very small size makes the plant better suited to small areas.
perennial	Dianthus	Wink	Wink Dianthus	4"	April - June	pink	sun	Neat, tiny, blue foliage mounds covered with delicate, soft pink flowers.
perennial	Dianthus deltoides	Brilliant	Brilliant Maiden Pinks	6 - 12"	April - June	red	sun	Scarlet masses of mildly fragrant blossoms grace this low growing plant for 8-10 weeks. Shear for rebloom.
perennial	Dianthus gratianopolitanus	Feuerhexe	Firewitch Clove Pink	6"	late spring - summer	red	sun	2006 PPA Plant of the Year! Masses of brilliant raspberry-red 1" flowers with a delicious spicy clove fragrance. Mats of silvery-blue foliage often rebloom if deadheaded. Wonderful addition to rock gardens and borders!
perennial	Dicentra	King of Hearts	King of Hearts Bleeding Heart	8"	spring	pink	part shade-shade	Very lovely, finely cut soft grayish green foliage and rosy pink hear-shaped flowers create a soft, delicate display.
perennial	Dicentra	Luxuriant	Luxuriant Bleeding Heart	12 - 15"	spring	red	part shade	Cherry red, heart-shaped blooms float above spreading mounds of ferny, blue-green foliage. This selection is everblooming, flowering most freely in spring and continuing throughout the summer and into fall.
perennial	Dicentra	Luxuriant	Luxuriant Bleeding Heart	12 - 15"	spring	red	part shade	Cherry red, heart-shaped blooms float above spreading mounds of ferny, blue-green foliage. This selection is everblooming, flowering most freely in spring and continuing throughout the summer and into fall.
perennial	Dicentra eximia		Fringed Bleeding Heart	15"	May - September	pink	sun-part shade-shade	Clusters of small, rose pink buds open to pale pink, heart-shaped blossoms. Ferny, grey-green foliage is somewhat heat tolerant and does not go summer dormant if given adequate moisture.
perennial	Dicentra spectabilis	Alba	Alba Old Fashioned Bleeding Heart	30"	spring	white	part shade-shade	Graceful arching stems carry white locket-shaped hearts.

Olbrich's Plant Sale with the Pros
May 6 - 7, 2011

Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Dicentra spectabilis	Gold Heart	Gold Heart Bleeding Heart	24 - 36"	spring	pink	part shade-shade	Golden foliage provides a backdrop in spring for the chains of drooping, soft pink, heart-shaped flowers. Foliage retains its color into summer, before going dormant.
perennial	Digitalis hybrida	Camelot Rose	Camelot Rose Foxglove	36 - 48"	june - sept	pink	sun-part shade	Deep rose pink flowers with burgundy interior spotting grace this perennial in early summer. When not in bloom, enjoy the large rosettes of fuzzy, green leaves. Biennial.
perennial	Digitalis purpurea	Candy Mountain	Candy Mountain Common Foxglove	3-4'	june - sept	pink	sun-part shade	Rose pink blossoms with speckled throats. Strong, upright stems. Large rosettes of downy, green leaves.
perennial	Digitalis purpurea	Pam's Choice	Pam's Choice Foxglove	36 - 48"	early summer	white	sun-part shade	White, bell-shaped flowers, heavily speckled inside with maroon-purple spots. Forms large rosettes of downy, green, oblong leaves. Biennial.
perennial	Echinacea	Evan Saul	Sundown Coneflower	30 - 36"	june - sept	orange	sun	Slightly reflexed overlapping bright orange outer florets display subtle yellow notched tips. Prominent convex central cone. Strong rose fragrance. Free flowering.
perennial	Echinacea	Flame Thrower	Flame Thrower Coneflower	36"	June - September	orange	sun-part shade	NEW! Incandescent two-toned orange and yellow flowers heat up the garden! This fragrant Coneflower is easy to grow, has a well-branched habit, and blooms all summer. Great choice for middle of the border.
perennial	Echinacea	Irresistible	Irresistible Coneflower	32"	July - August	coral	sun	Rainbow sherbet colored, double flowers emerge yellow, then quickly mature to coral pink with a deeper pink pom-pom and citron yellow center. These are one of a kind and very fragrant.
perennial	Echinacea	Maui Sunshine	Maui Sunshine Coneflower	12 - 24"	June - September	yellow	sun	NEW! Large bright yellow flowers, sweetly scented and floriferous. Mature flowers are a soft yellow. Well branched with strong, upright stems.

Olbrich's Plant Sale with the Pros
May 6 - 7, 2011

Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Echinacea purpurea	Coconut Lime	Coconut Lime Coneflower	24" - 36"	june - september	white	sun	The first double flowering white Echinacea! Compact in habit with over 20 blooms per plant! Well-branched, sturdy flower stems are perfect for cutting! Blooms for 2-3 months!
perennial	Echinacea purpurea	Fatal Attraction	Fatal Attraction Purple Coneflower	26"	june-august	purple	sun-part shade	Vivid purple-pink flowers with 2 rows of petals. Strong, dark red to near-black stems.
perennial	Echinacea purpurea	Red Knee High	Red Knee High Purple Coneflower	18 - 24"	june - sept	red	sun	Large, rich magenta red flowers are borne in profusion atop knee high plants.
perennial	Echinops bannaticus	Blue Glow	Blue Glow Globe Thistle	3 - 4'	summer	blue	sun	Echinops is a clumping perennial that is very easy to grow but not invasive. Intense blue spheres appear on tall, unbranched stems. Bumblebees and nocturnal moths delight in their sweet nectar. Flowers rise above the showy silvery green foliage.
perennial	Epimedium grandiflorum	Bronze Maiden	Bronze Maiden Epimedium	10 - 12"	April - May	lavender	part shade-shade	NEW! Lavender clusters of large-spurred flowers float above mahogany-red foliage in spring which in time turns reddish-bronze-green. Deciduous.
perennial	Epimedium grandiflorum	Dark Beauty	Dark Beauty Epimedium	10 - 12"	April - May	pink	part shade-shade	Charming, dainty deciduous leaflets emerge a dark purple in early spring forming a stunning backdrop for the airy, large rosy-pink flowers with prominent pure white spurs.
perennial	Epimedium x warleyense	Ellen Willmott	Ellen Willmott Epimedium	16"	April - May	orange	part shade-shade	Deep, rich orange-red, gradually turning to yellow-orange. Evergreen foliage is flushed red, later turns green then back to red in fall. Unusual color and prolific blooms.
perennial	Filipendula rubra	Venusta	Venusta Queen of the Prairie	4'	july - aug	pink	sun-part shade	Very large, pink flower heads from summer till fall. Showy vigorous plants.
perennial	Filipendula vulgaris	Plena	Plena Meadowsweet	24 - 32"	Jun-Aug	white	sun-part shade	Double, creamy-white flowers over ferny foliage in spring and summer.
perennial	Gaillardia aristata	Arizona Red Shades	Arizona Red Shades Blanket Flower	10 - 12"	June - September	red	sun	New this year, a sister to 'Arizona Sun' produces masses of large, crimson red flowers over a very long period. Has a slight yellowing of the tips. Much more compact and uniform.

Olbrich's Plant Sale with the Pros
May 6 - 7, 2011

Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Gaillardia aristata	Oranges & Lemons	Oranges & Lemons Blanket Flower	22 - 26"	june - august	peach	sun	Large, peachy-orange flowers with yellow tips and a gold cone.
perennial	Gaillardia aristata	Oranges & Lemons	Oranges & Lemons Blanket Flower	22 - 26"	june - august	peach	sun	Large, peachy-orange flowers with yellow tips and a gold cone.
perennial	Galium odoratum		Sweet Woodruff Galium	6"	june	white	part shade-shade	A vigorous ground cover with tiny, white, star-shaped flowers above a carpet of green foliage. The bright green leaves are fragrant when crushed and are finely cut.
perennial	Gaura lindheimeri	Pink Cloud	Pink Cloud Gaura	30"	summer	pink	sun	Brilliant pink flowers above dark red and green foliage. Upright habit.
perennial	Geranium	Perfect Storm	Perfect Storm Cranesbill	12"	May - July	magenta	sun-part shade	A storm of small, magenta pink blossoms with a black center and veins are produced atop low, spreading mounds of velvety grey-green foliage in summer.
perennial	Geranium	Rozanne	Rozanne Cranesbill	18 - 20"	may - sept	blue	sun-part shade	Huge, glowing violet blue, saucer-shaped flowers with distinctive white eyes and reddish-purple veining are held above mounds of deep green foliage that is slightly marbled with chartreuse. This is an amazingly free-flowering cultivar!
perennial	Geum triflorum		Prairie Smoke	12 - 18"	april - july	pink	sun	Graceful nodding pink flowers followed by feathery seed heads.
perennial	Gypsophilia paniculata	Pink Fairy	Pink Fairy Baby's Breath	18"	june - july	pink	sun	Relatively large, light pink, double flowers appear like a pink cloud atop compact plants.
perennial	Hedera helix	Wilson	Wilson Small Leaf Ivy	6 - 8"	foliage	N/A	part shade-shade	Pretty deep green leaves than are smaller the species. Needs winter wind and sun protection.
perennial	Helleborus	Golden Sunrise	Golden Sunrise Lenten Rose	18 - 22"	march - may	yellow	shade	A mixed strain of canary yellow hellebores so each plant is slightly different. Some are solid yellow, but most exhibit some degree of red veining and a red picotee edge. Some have a nicely contrasting red starburst center.

Olbrich's Plant Sale with the Pros
May 6 - 7, 2011

Habit	Genus Species	Cultivar	Common Name	Height	Bloom	Color	Light	Description
perennial	Helleborus ballardiae	HGC Pink Frost	HGC Pink Frost Lenten Rose	12 - 14"	January - March	pink	part shade-shade	Burgundy buds open to 2-3" two-tone pink and white, outward facing blossoms which age to burgundy. Forms an upright clump of serrated, green leaves with a silvery sheen and red petioles.
perennial	Helleborus x hybridus	Walhelivor	Ivory Prince Lenten Rose	12 - 18"	march - april	white	part shade-shade	From late winter through mid-spring, rich burgundy pink buds open to ivory white blossoms which become streaked with rose and chartreuse as they age. The attractive dark blue-green foliage remains compact in habit, unlike some other hybrids.
perennial	Helleborus x hybridus		Lenten Rose	24"	march - may	pink	part shade-shade	Dense evergreen foliage, nodding cup-shaped flowers of white, cream, pink to purple. Excellent ground cover for shade.
perennial	Heuchera	Christa	Christa Coral Bells	8-10"	early - mid summer	pink	sun-part shade	New leaves are nearly all rose-purple with peach underlay. As leaves mature, the peach color becomes dominant and a light silver overlay develops.
perennial	Heuchera	Dolce Black Currant	Dolce Black Currant Coral Bells	8 - 16"	early spring	N/A	sun-part shade	Bold purple leaves with silver accents adds a striking accent to beds or pots.
perennial	Heuchera	Dolce Crème Brulee	Dolce Crème Brulee Coral Bells	8 - 16"	April - June	pink	sun-part shade-shade	This heuchera cultivar has peachy-bronze leaves and spires of red flowers.
perennial	Heuchera	Dolce Key Lime Pie	Dolce Key Lime Pie Coral Bells	8 - 16"	June - July	pink	part shade-shade	With its bright gold-chartreuse leaves, this gem of a plant will light up a dark, shady area.
perennial	Heuchera	Frosted Violet	Frosted Violet Coral Bells	12 - 15"	early - mid summer	pink	sun-part shade	Burgundy-violet foliage is accented with pronounced raisin-aubergine veining. Flowers are like pink seed pearls. Colors intensify in the fall.
perennial	Heuchera	Georgia Peach	Georgia Peach Coral Bells	14"	early - mid summer	white	part shade	The very large leaves, have rounded lobes and are dusted with a light silver overlay. In fall and winter, the foliage turns a warm rose-purple color. Dainty creamy white flowers are produced in early summer.
perennial	Heuchera	Green Spice	Green Spice Coral Bells	9"	early - mid summer	cream	sun-part shade	Excellent color contrast with large dark gray edged silver leaves and purple venation. Cream flowers.

Olbrich's Plant Sale with the Pros
